

ROBERTA RAVENNI, MD, MSc

PERSONAL HISTORY

DOB 18, February 1963
Nationality Italian – Pre-settled Status in UK (Scotland)
Preferred pronoun she, her
Divorced, 1 Daughter 27 yo

Dept of Clinical Medicine, Neurological Directorate, Azienda ULSS 5 Polesana
Italian Public Health System (SSN) – Azienda ULSS 5 Polesana
Viale Tre Martiri n. 89, 45100 Rovigo – Italy
Italian General Council n. 1554
UK GMC number 7808060
Email: roberta.ravenni@aulss5.veneto.it
Email: ravennir_neuro@outlook.it
www.robertaravenni.it

Education and Qualifications

July,1991 MD, Faculty of Medicine and Surgery, University of Siena (score of 110/110)
January,1992 Licence to practice at University of Siena, Faculty of Medicine and Surgery, (cum laude)
October,1995 Post-graduation in Clinical Neurophysiology (Specialty), University of Siena (cum laude)
April,2001 Post-graduation (Specialty) in Neurology, University of Siena (cum laude)
1999 Board Certified from SINC (Italian Society of Clinical Neurophysiology) and MDS (Movement Disorders Society) for Botulinum Toxin's treatments in Movement Disorders
Dec.,2010 MSc in Movement Disorders and Neurodegenerative Diseases, Catholic University of Milan

Employment History

Sept. 2021 - present, Dept of Clinical Medicine, Neurological Directorate, Azienda ULSS 5 Polesana
2020 to 2021 Consultant Neurologist and Neurophysiologist at NHS FIFE, Edinburgh
2016 to 2020 Senior Medical Director with study/research position of High Professionality in Clinical Neurophysiology (nonexclusive relationship) at Azienda ULSS 5 Polesana – Veneto, Italy
2015 to 2020 Director, Clinical Neuro-rehabilitation Service at Azienda ULSS 5 Polesana – Veneto, Italy
2010 to 2016 Senior Medical Director with study/research position of High Professionality in Clinical Neurophysiology at Azienda ULSS 5 Polesana – Veneto, Italy
2008 Visiting Professor at Boston University and Neuromuscular research Center (Prof. Joe F. Jabre and Prof. Carlo J. De Luca)
2004 to 2010 Medical Director, Neurologist and Clinical Neurophysiologist with study/research professional position at Azienda ULSS 18 Rovigo
1999 to 2004 Medical Director, permanent job, Ist Level, Neurologist and Clinical Neurophysiologist at Azienda ULSS 18 Rovigo
1998 to 1999 Medical Director, fixed term job, Ist Level, Neurologist and Clinical Neurophysiologist at Azienda ULSS 18 Rovigo
1995 to 1998 Fixed term appointment as Clinical Neurophysiologist, Azienda ulss 7 Toscana - Italy
1992 to 1998 Fixed term appointment as General Practitioner, Azienda ULSS 9 Toscana - Italy
1995 to 2001 Internal Fellow at Neurology Clinic, Siena University, Neurology Section
1991 to 1995 Internal Fellow at Nervous and Mental Diseases department, Neurophysiology Section

Fellowships & Awards

2009 Investigator in the study entitled "An international retrospective, non interventional, case-control study to identify factors influencing secondary nonresponse to BoNT-A injections in subjects suffering from idiopathic cervical dystonia"
2007 Investigator in the evaluation and supervision of a medical electrical equipment for the upgrade of the software (Viking/Synergy)
2007 University of Maribor and University of Aalborg award for research on cramp-fasciculation syndromes

- 1999 ALS International Association Award for clinical research on cortico-nuclear connections in bulbar ALS
 1998 International Federation of Clinical Neurophysiology Award for research in Computer Aided Electromyography

Teaching Activities

- 1996-1997 "Geriatric Neuropsychiatry" at School of Specialisation in Clinical Neurophysiology – Siena University
 1997-1998 "Physiopathology of Autonomic Nervous System" at School of University Diploma for Technicians – Siena University
 1995-1998 "Peripheral Neuropathy" at School of Specialisation in Clinical Neurophysiology – Siena University
 2008 "Anatomy of the central and Peripheral Nervous System" at Degree Course for Medical Radiology Technicians, for Imaging and Radiotherapy – University of Padova
 1997-2021 Teacher at Cultural Courses in Electromyography and Clinical Neurophysiology, Official Courses recognized at National level by the Italian Society of Clinical Neurophysiology.

Collaborations

- 1998 – 2020 Department of Neurosurgery – Azienda ULSS 5 Rovigo
 1998 – 2021 Padua University Center for Biomembranes, CNR – Prof. Cesare Montecucco and Prof. Ornella Rossetto
 2000 – 2021 Prof. J. Jabre – Boston University and UCLA
 2000 – 2009 Prof. Erik Stalberg – Uppsala University
 2007 – 2010 Politecnico of Turin – Prof. Roberto Merletti – Dr. Marco Minetto
 2007 – 2010 Aalborg university – Prof. Dario farina
 2007 – 2010 Maribor university – Prof. Ales Holobar
 2010 – 2020 Department of Internal Medicine Azienda ULSS 5 Polesana – Dr. Alberto Mazza

Membership of Learned Societies

- 1989 – 2018 Italian Society of Neurology
 1993 – present Italian Society of Clinical Neurophysiology
 1997 – present Board and Scientific Director of the Italian Committee for the Electromyograph and Clinical Neurophysiology Advanced Courses
 1999 – present American Academy of Neurology
 1999 – present the Movement Disorders Society (MDS)
 2008 – present Member of the Editorial Board of Neurology International Journal
 2008 – present Register of Technical Consultants of the Office of the Court in Rovigo at n. 679 (civil branch) e n. 90 (penal branch) – category Medical Doctors
 2013 – present Italian Association for the study of the Peripheral Nervous System (ASNP)
 2012 – present Italian Society for the study of Headache – SISC
 2012 – present DISMOV-SIN Italian Society for Movement Disorders and Epilepsy
 2017 – present PNS (International Peripheral Nerve Society)

Industrial consultancies

- 1998 – present Clinical Opinion Leader, Ipsen
 1998 - 2014 Clinical Opinion Leader – Sigma-Tau
 2000 – present Supervisor of technical medical equipments – Synopo
 2020 – present Opinion Leader Abros Pharmaceuticals

Suitability as a Complex Operative Structure DIRECTOR (equivalent of Directorate Chief)

- 2015 Azienda ULSS 22 of Bussolengo (Verona)
- 2012 Azienda ULSS 8 of Asolo – Castelfranco Veneto – Treviso – Italy
- 2010 Azienda ULSS 12 Veneziana – Venice
- 2009 University Hospita Udine – Friuli Venezia Giulia – Italy
- 2008 Azienda ULSS 18 Rovigo – Veneto – Italy
- 2007 Azienda ULSS di Bassano del Grappa – Vicenza - Italy

Presentations (Courses, Congresses, Invited Lectures)

- 1997 – 14TH International Congress of Clinical Neurophysiology – International Federation of Clinical Neurophysiology – Florence
- 1997 – 17th Advanced Course on EMG and Clinical Neurophysiology – Ferrara
- 1997 – 8th International Symposium on ALS/MND – Glasgow
- 1998 – Italian Multiple Sclerosis Association – Nuoro – Italy
- 1998 – 18th Advanced Course on EMG and Clinical Neurophysiology – Ferrara
- 1998 - National Congress of the Italian Society of Clinical Neurophysiology
- 1998 - 5th International Congress of Parkinson's disease and Movement Disorders
- 1999 - 3rd Update Course in Clinical Neurophysiology – Nuoro – Italy
- 1999 - National Congress SINC - Italian Society of Clinical Neurophysiology -Portoferraio – Livorno
- 1999 – 19th Advanced Course on EMG and Clinical Neurophysiology – Ferrara
- 1999 - 11th International Congress of EMG and Clinical Neurophysiology – Prague
- 1999 – 31st Italian Society of Neurology Congress, Verona, Italy
- 2000 – Electrophysiology and Electronics Symposium – Bologna – Italy
- 2000 – SIN-SINC Intersociety Study Group on Movement Disorders – Rovigo – Italy
- 2000 – Italian Society of Clinical Neurophysiology Congress – Bergamo – Italy
- 2000 – 1st Training Course on “Lesions of the Peripheral Nervous System and Spinal Cord: from treatment to rehabilitation”
- 2000 – 6th International Congress of Parkinson’s Disease and Movement Disorders – Barcelona – Spain
- 2000 – 20th Advanced Course on EMG and Clinical Neurophysiology – Ferrara
- 2001 – Course on “Botulinum Toxin: multidisciplinary use” – Palermo – Italy
- 2001 - National Congress SINC Taormina
- 2001 - 15th International Congress of Clinical Neurophysiology – Buenos Aires – Argentina
- 2001 – **Invited Speaker:** International Course on SFEMG – 7th International Conference on Quantitative EMG. Uppsala – Sweden
- 2001 - 2nd Training course "Lesions of the Peripheral Nervous System and Spinal Cord: from treatment to rehabilitation" – Rovigo – Italy
- 2001 – 21st Advanced Course on EMG and Clinical Neurophysiology – Ferrara
- 2001 - 32nd Congress of the Italian Society of Neurology – Rimini - Italy
- 2001 – National Course on Botulinum Treatment: multidisciplinary theoretical and practical course – Udine – Italy
- 2002 - National Congress of the Italian Society of Clinical Neurophysiology – Workshop on SEP, ENG and EMG: methodological approach in paediatric age – Bologna – Italy
- 2002 – 22nd Advanced Course on EMG and Clinical Neurophysiology – Ferrara
- 2003 - 23rd Advanced course in Electromyography and Clinical Neurophysiology – Ferrara – Italy
- 2004 - 5th Training Course "Lesions of the Peripheral Nervous System and Spinal Cord: from treatment to rehabilitation"
- 2004 - Theoretical and Practical Cultural Course in Electromyography and Clinical Neurophysiology. – Ferrara – Italy
- 2004 - 35th Congress of the Italian Society of Neurology – Genova
- 2005 - National Congress of the Italian society of Clinical Neurophysiology – Rome
- 2005 - 6th Training Course for Neurosurgeons, Neurologists, Orthopaedists, Physiatrists and Rehabilitation Therapists: "Lesions of the Peripheral Nervous System and of the Spinal Cord: from treatment to rehabilitation"
- 2005 – 25th Advanced Course on EMG and Clinical Neurophysiology – Ferrara
- 2005 - 36th Congress of the Italian Society of Neurology Cernobbio (Como)
- 2006 - National Congress of the Italian Society of Clinical Neurophysiology Turin – Italy
- 2006 - 7th Training Course for Neurosurgeons, Neurologists, Orthopaedists, Physiatrists and Rehabilitation Therapists "Lesions of the Peripheral Nervous System and Spinal Cord: from treatment to rehabilitation"

2006 - Advanced Course on EMG and Clinical Neurophysiology – Ferrara
2006 - National Academy of Medicine: diagnostic and therapeutic Update in Clinical Neurophysiology (part I): neuropathies and neuronopathies San Servolo (VE)
2007 - National Academy of Medicine: 1st theoretical and practical update residential Course in Paediatric Neurophysiology. San Servolo (Venice)
2007 - American Academy of Neurology – Boston MA
2007 - 27th Theoretical and Practical Cultural Course in Electromyography and Clinical Neurophysiology – Ferrara
2008 - 2nd Meeting of Neuro-Ophthalmology - in collaboration with ULSS 18 Rovigo and ULSS 17 Monselice (PD)
2008 - National Academy of Medicine: diagnostic and therapeutic Update in Clinical Neurophysiology (part I): neuropathies and neuronopathies San Servolo (VE)
2008 - Diagnostic-therapeutic update in Clinical Neurophysiology (part II): muscle and neuromuscular diseases. San Vito di Cadore
2008 - Italian Society of Clinical Neurophysiology, National Congress Venice
2009 - International SFEMG Course and X Quantitative EMG Conference, Venice 6-10 May
2009 – **Invited Lecture:** 15 years of Botulinum Toxin at the Sacco Hospital in Milan: past, present and future with the lecture: "From the perspective of the shaman to aesthetic medicine through movement disorders"
2009 - Cultural Course in Electromyography and Clinical Neurophysiology of SINC Abano Terme – Padova
2010 - New strategies in Clinical Neurophysiology. Update in the neuropathic cranial and facial pain, Palermo
2010 - Spring Meeting of the Italian Society of Clinical Neurophysiology – North-East section– Update Course: Demyelinating diseases of Central and Peripheral Nervous System – Diagnostic-therapeutic Update
2010 - Italian Society of Clinical Neurophysiology National Congress
2010 - Update on Movement Disorders organized by SOC Neurology Azienda ULSS 18 Rovigo with the report entitled "Dystonias: aspects of diagnosis and treatment".
2010 - 30th Cultural Course in Electromyography and Clinical Neurophysiology – Abano Terme – Padua
2011 - National Academy of Medicine – Diagnostic therapeutic update in Clinical Neurophysiology: neuropathies and neuronopathies
2011 - Updates on Neurology - Parkinson's Disease Course – Padua
2011 - Updates on Neurophysiology and Neurorehabilitation. Update course, Castelbuono – Palermo – Italy
2011 - The management of the patient with Parkinson at different phases of the disease. Mogliano Veneto (TV)
2011 - 31st Theoretical and Practical cultural course in electromyography and clinical neurophysiology. Abano Terme (Padova)
2012 - 57th National Congress of the Italian Society of Clinical Neurophysiology
2012 - Padova Parkinson 2012: clinical and diagnostic controversies
2012 – **Scientific Director of the Course** “: Into the labyrinth of vertigo: diagnostic and therapeutic pathways”. Este (PD)
2013 - 33rd Cultural course in Electromyography and Clinical Neurophysiology Abano terme Padova
2013 - CME The Peripheral Nervous System. Theoretical and Practical Course. Diagnostic and therapeutic Update on Peripheral Neuropathies. **Scientific Director for the event.**
2014 - 34th theoretical and practical cultural course in Electromyography and Clinical Neurophysiology
2014 - Interregional Conference on Gender Medicine: advantages and disadvantages of being a woman. Rovigo, Accademia dei Concordi – Italy
2014 - University College of London: theoretical and practical educational Project: "Workshop on peripheral neuropathies". London – UK
2015 - CME update course: Algodystrophy: how to recognize it, how to cure it, with reference to the pathology of the hand. Pozzonovo (PD)
2015 - Update for the employees of ULSS 12 of Viareggio entitled: The promotion of gender health: women's life skills" Viareggio – Italy
2015 – 35th Advanced Course on Electromyography and Clinical Neurophysiology – Abano terme – Padua - Italy
2016 - Update Course on Functional Disturbances of pelvic floor: the neurophysiologic approach. Rovigo – Italy
2016 – 2nd Update Course on Peripheral Neuropathy and Clinical Neurophysiology – Rovigo – Italy
2016 – 36th Advanced Course on Electromyography and Clinical Neurophysiology – Abano terme – Padua – Italy
2016 – Update Course in Colon-Proctology from The Italian Society of Surgery
2017 – 37th Advanced Course on Electromyography and Clinical Neurophysiology – Abano terme – Padua – Italy
2018 – Move ON update Course on Parkinson's Disease. Bologna – Italy
2018 – Educational Project in Neurology. Cognitive Impairment and Alzheimer Disease. Baggiovara – Modena – Italy
2018 – 38th Advanced Course on Electromyography and Clinical Neurophysiology – Abano terme – Padua – Italy
2019 – IX Annual Meeting of the Italian Society of Peripheral Nerve Study. Padua – Italy
2019 – LIX National Congress of Italian Society of Neurology (Medical)
2019 – 5th National Congress of LIMPE-DISMOV Academy – Catania – Italy

2019 – 39th Advanced Course on Electromyography and Clinical Neurophysiology – Abano terme – Padua – Italy
2020 – Move On update Course on Parkinson's Disease. Bologna – Italy
2021 – 40th Advanced Course on Electromyography and Clinical Neurophysiology – Abano terme – Padua – Italy
